Hello Willy,

I know I owe you an update and Todd just confirmed that he is still working on this but doesn't have an answer for me yet. Again, it is a matter of timing of financing and he said that he will update me later tonight.

Sorry I don't have more to share but just trying to keep the communication open. I want you to know that this is top of mind and I will continue to push for the information that we need.

Can I get specifics as to what the issue is regarding payment?  
We need to have a firm outside date of when payment and shipment will take place.  
We are working with you to help you satisfy your obligation but we need to know when the transaction will be completed.  
Look forward to your update.
